
Report on Capacity Building Programme

Gujarat Cleaner Production Centre
ENVIS Centre on
Cleaner Production & Technology

Gujarat Cleaner Production Centre-ENVIS Centre is actively engaged in promoting cleaner production and cleaner technology in academic institutions and industrial estates since its establishment. As an initiative, GCPC-ENVIS is organizing cleaner production / clean technology subject related presentations by experts and GCPC-ENVIS staff members on weekly basis as a part of our 'Major Activity'. The aim of conducting this activity is to discuss current Cleaner Production practices to motivate team members. Under this, in November – 2015, GCPC-ENVIS conducted five presentations on different topics at GCPC conference room, under the guidance of Dr. Bharat Jain, Member Secretary & ENVIS Coordinator & Shri. P.R. Rathod, Programme Officer, GCPC-ENVIS.

Presentation Topics:

1. Overview of Glass Industry: Gujarat & India

Presented by: Shri. Abhi Patel, Assistant Project Engineer: 7/11/2015
