## Report on Interaction of GCPC-ENVIS team with Dr. K.U. Mistry, Former Chairman, Gujarat Pollution Control Board (GPCB) on Project Management & Execution for Capacity Building of Employees

Realizing the importance of Capacity Building of employees of GCPC-ENVIS, the centre organized an interactive talk between the expert and the employees of GCPC-ENVIS Centre inviting Dr. K.U. Mistry, Former, Chairman, Gujarat Pollution Control Board. He also served in various Government department and Committees as Chairman, State Level Expert Appraisal Committee, Chairman, Gujarat Public Service Commission (GPSC), Deputy Chief Inspector of Factories, Surat. Dr. K.U. Mistry invited as an expert at the Centre on 27<sup>th</sup> December, 2016.

Dr. K.U. Mistry had detailed interaction with GCPC-ENVIS Staff Members. He shared his vast experience working as a Chairman of Gujarat Pollution Control Board and closely working with Gujarat Cleaner Production Centre. He gave glimpse of the projects and programmes jointly conducted by GPCB and GCPC.

He shared his views on Cleaner Production saying that if we move towards 'CP' (Cleaner Production) than it is not required moving towards 'PC' (Pollution Control) because prevention is always better than cure. He discussed on bridging the gap between 'CP' and 'PC' saying that GCPC-ENVIS Centre reducing the burden of Gujarat Pollution Control Board creating awareness towards "pollution prevention".

Interacting with GCPC-ENVIS Staff Members, he mentioned that skill training and capacity building of employees plays an important role in success of any organization, believing the philosophy that "today's students are tomorrow's leaders". He shared the basic keys to success on management and development and successful completion of any project in any concerned organization.

Dr. Mistry, mentioned that training of staff is an investment in your business, because staff is the most valuable asset and making sure they are trained with the skills and knowledge they need is essential for meeting your business goals. Focusing on the concept of applied chemistry, he influenced staff members to apply their theoretical knowledge into practical terms which helps in development of any organization and more importantly our nation.

He motivated young staff members saying that, one should cultivate good reading and listening habits including development of entrepreneurial skills in your life to be successful in every department of our business. Speaking on the occasion he said that for successful and sustainable business development one should always build and maintain good relationship with the customers. One should provide satisfactory services to our customers, knowing that customer is the king.

He addressed staff member saying that honesty, dedication and punctuality in your working style can help reaching new heights; he continued addressing staff members saying that one should always be loyal towards our organization.

Dr. Mistry shared his experience working with the then Chief Minister of Gujarat and the current Prime Minister of India Shri Narendra Modi. Speaking on the occasion he mentioned the working style and strategy of Gujarat Pollution Control Board and other related departments during the tenure of Shri Narendra Modi as a Chief Minister of the State of Gujarat.

Speaking on the occasion Dr. Bharat Jain, Member Secretary, GCPC and Coordinator, ENVIS shared his views working with Dr. Mistry and his team. Dr. Jain, continued saying that GCPC-ENVIS Centre received continued support from Chairman, GPCB and his team.

Mr. Punamchandra Rathod, Sr. Project Engineer, GCPC and Programme Officer, ENVIS had detailed discussion with Dr. K.U. Mistry. He briefed activities of GCPC-ENVIS such promoting the concept of CP/CT conducting promotional programmes in various industrial estates and academic institutions, participation of the centre at various International and National Level, showcasing of ENVIS publications etc. He mentioned that ENVIS is a major disseminating tool for GCPC to disseminate the concept of Cleaner Production & Clean Technology to various groups.

The session continued with discussing between GCPC-ENVIS staff members and the expert Dr. K.U. Mistry. Various questions were raised by the young brigade of GCPC-ENVIS which was positively and effectively answered by Dr. K.U. Mistry.

The session concluded with vote of thanks from Dr. Bharat Jain, Member Secretary, GCPC and Coordinator, ENVIS. He thanked Dr. Mistry for sharing his valuable time with staff members and accepting his invitation to visit the centre.
