

# Save the world ... ..

## Drive Wise

In the summer, fill gas tank during cooler evening hours to cut down evaporation!! (it also saves money! :))

Use energy-conserving (EC) grade motor oil

carpool!

TTC!!

bike!!!

walk!!!

## When Shopping

Choose products with less packaging or reusable packaging to reduce production emission

Batteries, choose ones that are rechargeable!

## At Home

reduce trash

use reusable containers

Reduce production emission by reducing, reusing and recycling!

Lower A.C in the summer, or heater in the winter only 1degree. You won't notice the difference, but it will help the environment.

Buy Energy Star products (including energy efficient lighting appliances)
